School Fee Regulations

- These fees are effective from 1 December 2023, and shall remain in force until changed by the Board of Governors. Whilst it is the aim of the Board to set fees on an annual basis, the Board reserves the right to change these at any time.
- Parents agree to be bound by the School's schedule of fees and charges.
- The school reserves the right to suspend a student's enrolment should any fees and charges remain outstanding. In persistent cases of non-payment of fees charged or default on alternative payment plan arrangements, the school reserves the right to terminate a student's enrolment.
- All school account payments must be up to date before a student is permitted to attend any non curriculum trips, camps or excursions for which a charge is levied.
- Family accounts will be billed as per the signed enrolment agreement. Original enrolment signatories on the agreement have a joint and several liability that remains with them. An enrolment signatory cannot remove themselves from the enrolment agreement without the express consent of the school and any other signatory. The school expects that enrolling parents/guardians agree the plans for payment between themselves ensuring all fees are paid in full by the required due dates.

Election of Payment Method

- **Please note any payment arrangements in place in 2023 will not automatically carry over into 2024.**
- For triannual or monthly instalments, a payment method must be elected by Friday 2 February 2024 via the Synergetic Parent Portal. If this does not occur, payments will be due triannually by default.
- Monthly payments are strictly via direct debit only and will be facilitated by the school. Direct debits will be processed on the last business day of each month from February to November inclusive.
- Any family wishing to vary the normal terms of payment due to financial or other personal reasons must do so in writing for consideration by the Business Director. Requests can be made via accounts@stjohns.sa.edu.au.
