

Scholarship of St John

Fact Sheet – 2027 entry

St John's Grammar School is currently offering limited Scholarships of St John to students not currently attending the School, entering into Reception – Year 12 in 2027.

Scholarship of St John Criteria

This scholarship offers an opportunity to provide a St John's Grammar School education to a family who may otherwise not be able to afford one.

A Scholarship of St John will be considered for families based on their long-term financial situation and/or short-term hardship criteria.

As an example, St John is the patron saint of hospitals and the sick. A family who has been impacted by family illness or other situation beyond their control would be given consideration.

- Be a team player in all pursuits
- Contribute to School life and inspire others

Application Process

Selection for the Scholarship of St John will be different for each family, and will involve a comprehensive review of each family's situation and subsequent interview with the student(s).

Application forms must be completed and submitted prior to the closing date along with completion of the required financial documentation.

A letter to the Principal, written by the applicant, outlining why they are applying should accompany the Application Form.

Short-listed applicants will subsequently be invited to attend a confidential meeting with the Principal.
